Experience

NIL FOUNDATION

CPO, CEO

Remote

November 2023 – April 2025

- Led a 60-person global team through CEO transition while maintaining research and engineering execution momentum including a [novel ZK proof system](#), [cryptographic compiler](#) (Rust/C++ to algebraic circuits), and [high-performance Ethereum L2 blockchain](#).
- Built and scaled an ecosystem of 50+ developer partners over six months; sourced opportunities, collected product feedback, negotiated contracts, and drove adoption leading into product launches.

DRZ CAPITAL

Founder & Partner

New York, NY

August 2025 – Present

- Led investment due diligence and operations of fund manager backed by \$100M+ family office; executed \$12.5M SPV in Apptronik. Other robotics investments include DYNA and RoboStrategy.
- Built operational insight into the robotics sector through dozens of meetings with robotics founders, facility tours at four major N.A. labs, and an expert network of researchers, hardware specialists, and major customers.

DELPHI DIGITAL

Analyst, Associate

Remote

February 2021 – December 2023

- Early-stage venture investing focused on blockchain and AI companies; top performing non-Partner investor by deal volume (24), principal invested (\$20M+), and portfolio ROI (4.5x).
- Self-started systematic venture portfolio reviews and thesis formation process to inform fund-wide deployment strategies and risk management; owned blockchain infrastructure and AI theses.

PARIVEDA SOLUTIONS

Software Consultant

New York, NY

September 2020 – May 2021

- Built and deployed full-stack web applications (MongoDB, Express, Angular, Node.js) for enterprise clients; worked directly with engineers in fast-paced, iterative development cycles.

SERVICE WORK

Hourly Worker

Boston, MA & New York, NY

2008 – 2020

- Began seasonal work at age 12 shoveling snow, landed first year-round hourly job at 14, maintained part-time to full-time positions through university, including: ice cream scooper, demolition laborer, bagel maker, baby-sitter, camp counselor, barista, barback, bartender, fitness instructor, recruiter, and bicycle mechanic.
